§24-3. Methods of Applying Causes for Delisting Due to Capital Impairment

(1) The cause under [§28(1)14] of the Regulation (hereinafter referred to as the “cause for delisting due to capital impairment”) shall apply based on the audit report reported pursuant to [§6(5)(a)] of the KONEX Market Disclosure Regulation. In such cases, if there is a correction to the report, the cause shall apply based on the corrected details.

(2) The cause for delisting due to capital impairment shall apply based on the financial statements pursuant to [§3(2)] of the Regulation and the fiscal year of the concerned financial statements.

(3) In cases where a KONEX-listed corporation falling under the cause for delisting due to capital impairment has filed an objection against delisting pursuant to [§30] of the Regulation and submitted financial statements (based on consolidated financial statements for corporations subject to the preparation of consolidated financial statements) and an auditor’s report on these financial statements (limited to cases where the auditor’s opinion is unqualified), which prove that the relevant cause has been resolved, it may be deemed that the relevant cause has been resolved.

(4) In cases where a KONEX-listed corporation has split off to convert into a holding company but the conversion has not been completed, the cause for delisting due to capital impairment shall not apply during the fiscal year in which the split-off has taken place and the following fiscal year.

§24-4. Exclusion from Listing Maintenance Review

(1) In the case of determining whether a corporation is subject to deliberation by the Committee pursuant to [§29(1)] of the Regulation, the Exchange may exclude the corporation from being subject to deliberation by the Committee in cases where the cause in each subparagraph of [§28(2)] of the Regulation is found after elapsing five (5) years from the occurrence of the cause concerned. In such cases, the time when the cause of listing maintenance review shall be based on the time when the behaviors, etc. relating to the concerned cause are finished.

(2) Notwithstanding paragraph (1) above, in cases where the Exchange deems that the cause of listing maintenance review has material impact to the listing eligibility of the KONEX listed corporation, it may decide to have the corporation be subject to listing maintenance review.

[December 9, 2022]

§25. Listing Maintenance Review

(1) The Exchange shall convene the Committee within twenty (20) days from the date of notification pursuant to [§29(2)] of the Regulation. Provided, however, that, where a KONEX-listed company submits an improvement plan within fifteen (15) days from the date of receiving the notification pursuant to [§29(2)] of the Regulation, the Committee shall be convened within twenty (20) days from the date of submitting the improvement plan to the Exchange. (Amended on March 8, 2021, May 15, 2026)

(d) [Deleted on May 15, 2026]

(3) The Exchange shall grant the representative of a KONEX-listed company an opportunity to attend the Committee and state his/her opinion in relation to the deliberation of the Committee. (Amended on May 15, 2026)

(4) The occurrence of a reason for delisting under [§28(1)] of the Regulation shall not affect the listing maintenance review pursuant to [§29] of the Regulation, the filing of an objection and the granting of a period for improvement pursuant to [§30] of the Regulation. [March 18, 2025]

(5) In cases where an improvement period is granted following the deliberation by the Committee pursuant to [§29(4)] of the Regulation, it shall not exceed one (1) year unless there are special circumstances. [May15, 2026]

(6) In cases where the improvement period granted pursuant to paragraph (5) has expired, the KONEX-listed company shall submit documents specified in each of the following subparagraphs to the Exchange within fifteen (15) days after the expiration of the improvement period. Provided that, if the relevant KONEX-listed company applies for the submission before the expiration of the improvement period pursuant to [§29(6)] of the Regulation, it shall submit them on the date of application: [May 15, 2026]

1. Report on the implementation of the improvement plan; [May 15, 2026]

2. Confirmation letter from a relevant expert, such as lawyer, certified public accountant, appraiser, etc. regarding the results of the implementation of the improvement plan; and [May 15, 2026]

3. Other documents deemed necessary by the Exchange in relation to the deliberation on the implementation of the improvement plan. [May 15, 2026]

(7) Unless there are special circumstances, the Exchange shall convene the Committee pursuant to [§29(5)] of the Regulation within twenty (20) days from the date of submission of documents pursuant to paragraph (6). In this case, if the company falls under any of the following subparagraphs, the Committee may grant an additional improvement period of up to three (3) months, and paragraph (6) and the main sentence of this paragraph shall apply mutatis mutandis to the deliberation procedures following the expiration of the improvement period. [May 15, 2026]

1. Cases where it is evident that the implementation of important parts of the improvement plan, such as a change in the largest shareholder, a paid-in capital increase, etc. will be implemented; and [May 15, 2026]

2. Cases where a court judgment, decision or other determination that may have a material impact on the implementation of the improvement plan is pending, and further review of the improvement plan is necessary. [May 15, 2026]

(8) Pursuant to [§30(1)] of the Regulation, the Exchange shall notify the KONEX-listed company (except for companies under Startups Division and Crowdfunding Corporation Division; the same hereinafter) and designated advisor in charge of the results in writing within three (3) days from the date of the deliberation of the Committee. [May 15, 2026]

(9) Notwithstanding paragraphs (1) and (7), if an event that could have a significant impact on the results of deliberation, such as a judgment or decision on a lawsuit, the submission of an audit report, etc., is scheduled after the deadline for holding the meeting under paragraph (1) or (7), the Exchange may extend the deadline for holding the meeting of the Committee within a period of up to twenty (20) days. [May 15, 2026]

(10) In addition to the provisions of paragraph (1) through (9), matters necessary for the procedures, etc., for the listing maintenance review shall be determined separately by the Exchange. [May 15, 2026]

§26. [Deleted on July 11, 2014]

§27. Appeal against Delisting and Deliberation thereof

(1)“Cases stipulated in the Enforcement Rules” in [§30(1)] of the Regulation shall refer to the cases falling under [§28(1)5, 6, 6-2, 7-2, 9, and 11] of the Regulation. (Amended on January 31, 2018; March 11, 2020, December 9, 2022; May 15, 2026)

(2)When a KONEX-listed corporation files an official objection pursuant to [§30(2)] of the Regulation, it shall submit the following documents attached to the official objection under [Listing Form No. 18]: (Amended on June 30, 2015; December 29, 2016; March 20, 2019; December 10, 2021)

1. An improvement plan that includes plan to resolve the cause for delisting (in case of falling under audit opinion-related delisting causes, the improvement plan to resolve delisting cause by revising the audit opinion on the audit report of the relevant fiscal year or to receive an ‘unqualified’ audit opinion on the audit report of the following fiscal year);
2. Opinion statements issued by experts in the relevant fields, including lawyers, certified public accountants, and appraisers, etc. (excluding KONEX-listed corporations falling under the causes in [§28(1)7-3, 10, 12 and 13] of the Regulation); and
3. Other documents that the Exchange deems necessary in relation to the official objection.

(3) When an official objection under paragraph (2) has been filed, unless there is any special reason, the Exchange shall call a meeting of the Committee within twenty (20) days of

receiving the concerned objection and make a deliberation on the matters in each of the following subparagraphs. In such cases, the Exchange shall grant a representative of the concerned KONEX-listed corporation an opportunity to attend the Committee and state his/her opinion in relation to the deliberation of the Committee: (Amended on March 20, 2019; June 10, 2020; March 8, 2021; May 15, 2026)

1. Whether to delist the concerned stock;

2. Feasibility of the improvement plan (in case of falling under audit opinion-related delisting causes, the improvement plan shall indicate the possibility to resolve delisting cause by revising the audit opinion on the audit report of the relevant fiscal year or to receive an 'unqualified' audit opinion on the audit report of the following fiscal year), whether or not to grant the improvement period, and if granted, the length of improvement period; and

3. Whether to suspend the trading of concerned stock and if suspended, the period of trade suspension.

(4) The Exchange shall decide whether the relevant stock will be delisted or not or whether an improvement period will be granted or not, etc., within three (3) days from the date of deliberation of the Committee, and if an improvement period is granted, unless there is any special reason, the length of such period shall not exceed the period in each of the following subparagraphs: (Amended on November 13, 2013; June 30, 2015; December 29, 2016; March 20, 2019; April 17, 2019; April 28, 2022)

1. In the case of falling [§28(1)7, 7-3, 12, 13, and 14] of the Regulation: Within one (1) year;

2. In the case of falling [§28(1)1, 8, and 10] of the Regulation: Within six (6) months and

3. In the case of falling [§28(2)] of the Regulation: Within six (6) month (Provided that the combined period of the improvement period concerned and the improvement period under [§29(4)] of the Regulation shall not exceed one (1) year.

(5) During the improvement period, the Exchange may check the progress in implementing the improvement plan through such means as annual reports and quarterly reports, etc. (Amended on November 13, 2013; June 10, 2020)

(6) A KONEX-listed corporation that has been granted an improvement period pursuant to paragraph (4) shall submit the documents in each of the following subparagraphs within fifteen (15) days after the end of the improvement period (in the case of filing an application pursuant to [§30(5)3] of the Regulation before the expiration of the improvement period, the date of such application). Provided that this shall not be the case for a KONEX-listed corporation that falls under causes stated in [§28(1)12 and 13] of the Regulation: (Amended on June 30, 2015; December 29, 2016; March 20, 2019; April 17, 2019; June 10, 2020; March 8, 2021; December 10, 2021; April 28, 2022)

1. An implementation statement of the improvement plan;

2. A written confirmation on the outcome of implementation of the improvement plan issued by experts in the relevant fields such as lawyers, certified public accountants, or appraisers (excluding the KONEX-listed corporations falling under [§28(1)7-3 and 10] of the Regulation). In such cases, in the case of submitting the improvement plan to receive an “unqualified” audit opinion on the audit report of the following fiscal year pursuant to paragraph (2)1 due to falling under audit opinion-related delisting causes, it shall be the audit report of the relevant fiscal year, and in the case of falling under the cause for delisting due to capital impairment, it shall be the financial statements under [§24-3(3)] and the auditor’s report on these financial statements; and

3. Other documents that the Exchange deems necessary for the deliberation on the implementation of the improvement plan.

(7) Unless there is any special reason, the Exchange shall call a meeting of the Committee within twenty (20) days from the submission date of documents under paragraph (6) to make a deliberation on whether the improvement plan was implemented and whether or not to delist the stocks and decide whether the concerned stock will be delisted or not within three (3) days from the date of the deliberation. In this case, if the company falls under any of the following subparagraphs, the Committee may grant an additional improvement period of up to three (3) months, and paragraph (6) and the main clause of this paragraph shall apply mutatis mutandis to the deliberation procedures following the expiration of the relevant improvement period. (Amended on June 30, 2015; December 29, 2016; June 10, 2020; March 8, 2021; May 15, 2026)

1. Cases where it is clearly recognized that the implementation of important parts of the improvement plan, such as a change in the largest shareholder, paid-in capital increase, etc. will take place; and [May 15, 2026]

2. Cases where it is necessary to verify a court judgment, decision, etc., that has a significant impact on the implementation of the improvement plan is scheduled. [May 15, 2026]

(8) When the Exchange makes a decision pursuant to paragraphs (4) or (7), it shall notify the KONEX-listed corporation concerned and the designated advisor in charge of the details of the decision in writing without delay. (Amended on June 30, 2015; December 29, 2016; May 15, 2026)

(9) KONEX-listed corporations cannot file another official objection to the decision on delisting under paragraph (4) or (7).

(10) “Case stipulated in the Enforcement Rules” in [§30(6)] of the Regulation shall refer to the case falling under any of the following subparagraphs: [March 8, 2021] (Amended on December 10, 2021; April 28, 2022, December 9, 2022)

1. Cases where an official objection is filed with the documents in each subparagraph of paragraph (2) by falling under the audit opinion-related delisting causes and then the Exchange grants an improvement period. In such cases, the Exchange shall grant an improvement period from the day after the statutory submission deadline to the 10th day for the business report for the fiscal year following the fiscal year corresponding to the audit opinion-related delisting causes;

2. Cases where, once after an audit opinion subject to delisting was issued, the Exchange decides to maintain the listing because the revised audit opinion on the audit report of the relevant fiscal year or the audit opinion on the audit report of the fiscal year following the relevant fiscal year does not correspond to the audit opinion-related delisting causes;
 3. Cases where an official objection is filed with the documents specified in each subparagraph of paragraph (2) for not satisfying the distribution requirement and the Exchange decides to grant an improvement period. In such cases, the Exchange shall grant the improvement period from the day after the statutory submission deadline to the 10th day for the business report for the fiscal year following the fiscal year in which the cause for not satisfying the distribution requirement occurred;
 4. Cases where the Exchange decides to maintain the listing since it confirmed that a cause for not satisfying the distribution requirement had been removed;
 5. Cases where an official objection is filed with the documents in each subparagraph of paragraph (2) by falling under the cause for delisting due to capital impairment and the Exchange decides to grant an improvement period. In such cases, the Exchange shall grant an improvement period from the day after the statutory submission deadline of the business report for the fiscal year following the fiscal year in which the relevant cause occurred to the 10th day;
 6. Cases where, after the cause for delisting due to capital impairment occurred, financial statements (based on consolidated financial statements for corporations subject to the preparation of consolidated financial statements) and an auditor's report on these financial statements (limited to cases where the auditor's opinion is unqualified), which prove that the relevant cause has been resolved, are submitted and the Exchange decides to maintain the listing; or
 7. Cases where, as a case of submitting annual report after being granted an improvement period for a cause due to failing to submit annual report under [§28(1)1] of the Regulation, the Exchange determines to maintain the listing status.
- (11) Notwithstanding paragraphs (3) and (7), if an event that could have a significant impact on the results of deliberation, such as a judgment or decision on a lawsuit, the submission of an audit report, etc., is scheduled after the deadline for holding the meeting under paragraph (3) or (7), the Exchange may extend the deadline for holding the meeting of the Committee within a period of up to twenty (20) days. [May 15, 2026]

§27-2. Postponement of Delisting

- (1) The auditor's opinion under [§30-2(1)3] of the Regulation (hereinafter referred to as "auditor's opinion" in this Article) shall be prepared by the relevant auditor in accordance with [Listing Form No. 17-2].
- (2) Unless there is a special reason, the Exchange shall hold a Committee meeting pursuant to

the main sentence of [§30-2(1)] of the Regulation within twenty (20) days from the date of receiving the auditor's opinion pursuant to paragraph (1)

(3) In cases where a listed company fails to submit an auditor's opinion within the deadline set forth in [§30-2(1)3] of the Regulation or the Committee determines, as a result of deliberation under paragraph (2), that there is no need to postpone delisting, the Exchange shall proceed with delisting procedures, such as final trading before delisting.

[May 15, 2026]

§28. Documents to be Filed with Application for Delisting, etc.

(1) "Application for delisting stipulated in the Enforcement Rules." in [§31(1)] of the Regulation shall refer to the [Listing Form No. 19], and supplementary document shall refer to those stated in each of the following subparagraphs: (Amended on February 3, 2014; June 30, 2015; December 29, 2019)

1. Two (2) copies of the minutes on special resolution of general meeting of shareholders concerned with the delisting (in the case of application for delisting pursuant to [§28(1)11] of the Regulation, the minutes of meeting of the Board of Directors: the same hereinafter in paragraph (2)1); and

2. Two (2) copies of the consent on delisting of the designated advisor in charge.

(2) "Application for delisting stipulated in the Enforcement Rules." in [§31(2)] of the Regulation shall refer to the [Listing Form No. 20], and supplementary document shall refer to those stated in each of the following subparagraphs:

1. Two (2) copies of the minutes on special resolution of general meeting of shareholders of different classes of stocks concerned with the delisting; and

2. Two (2) copies of the consent on delisting of the designated advisor in charge.

(3) When an application for delisting noted in [§31(1) & (2)] of the Regulation has been filed, unless there is any special reason, the Exchange shall call a meeting of the Committee and make a deliberation on the matters noted in each of the following subparagraphs within fifteen (15) days of receiving the concerned application. Provided that, this provision shall not apply to the case under [§28(1)11] of the Regulation: (Amended on February 3, 2014; April 15, 2019; June 10, 2020)

1. Whether to delist the concerned stock;

2. Whether or not the largest shareholder, etc. (including the joint holders under Article 141(1) of the Enforcement Decree of the Act, while excluding the relevant KOSDAQ-listed corporation; hereinafter referred to as "the largest shareholder" in this Article) have faithfully observed the procedures for shareholder protection by such means of acquiring stocks from the shareholders who held the concerned stocks before the application for

delisting (including tender offers and other means equivalent thereto), or guaranteeing the acquisition of the concerned stocks for a specified period after the delisting; and

3. In addition, whether matters necessary for the public interest and the investor protection, such as the share ownership ratio of the largest shareholder (referring to the ratio calculated based on the number of shares produced by subtracting the number of treasury shares from the total number of issued shares) and tender offer conditions, are fulfilled.

(4) Exchange shall decide whether to delist within three (3) days from the date of deliberation of the Committee pursuant to paragraph (3).

CHAPTER VI. SUPPLEMENTARY PROVISIONS

§29. Calculation of Period

[Annex 3] Listing Fees and Annual Dues

Listing Fees and Annual Dues

(Pertaining to [§30])

1. Listing fees

	Listing Fees	
Initial listing, Supplementary listing	The amounts calculated by multiplying market capitalization by following fee rates.	
	Market capitalization (In KRW)	Fee rates
	≤ 10 bil.	KRW 30,000 per KRW 1 bil. (Minimum KRW 50,000)
	>10 bil. and ≤30 bil.	KRW 300,000 + KRW 25,000 per KRW 1 billion for the market capitalization in excess of KRW 10 billion
	>30 bil. and ≤50 bil.	KRW 800,000 + KRW 20,000 per KRW 1 billion for the market capitalization in excess of KRW 30 billion
	>50 bil. and ≤70 bil.	KRW 1.2 million + KRW 15,000 per KRW 1 billion for the market capitalization in excess of KRW 50 billion
	>70 bil. and ≤100 bil.	KRW 1.5 million + KRW 10,000 per KRW 1 billion for the market capitalization in excess of KRW 70 billion
	>100 bil. and ≤200 bil.	KRW 1.8 million + KRW 5,000 per KRW 1 billion for the market capitalization in excess of KRW 100 billion
	>200 bil. and ≤500 bil.	KRW 2.3 million + KRW 2,500 per KRW 1 billion for the market capitalization in excess of KRW 200 billion
	>500 bil.	KRW 3.05 million + KRW 500 per KRW 1 billion for the market capitalization in excess of KRW 500 billion (Maximum amount: KRW 200 million)
Listing change	KRW 500,000per case	

Notes:1. When determining the listing fees, the following market capitalization shall be used.

	Criteria for Fee Calculation
Initial listing	Base market capitalization (The amount calculated by multiplying the number of listed stocks by the valuation price according to [Annex 1] of the Enforcement Rules of the KONEX Market Business Regulation as of the day immediately preceding the date of listing application)
Supplementary listing	Market capitalization of new stocks to be listed (the amount determined by multiplying the number of new stocks to be listed by the closing price as of the day immediately preceding the date of listing application)

2. The initial listing fees shall be imposed on the aggregate market capitalization amount of common stocks and different classes of stocks.

3. The listing fees for supplementary listing shall be determined by application date, but the listing fees for supplementary listing by the exercise of warrants, conversion rights, and stock options shall be determined by the listing application date.

4. The fees for supplementary listing shall be applied to the case of change of stock type resulting from the exercise of conversion rights.

5. When determining the listing fees per KRW 1 billion of listing amount, the amount less than KRW 1 billion shall be rounded up.

6. In cases where an applicant for listing change submits several applications for listing change on a same day, listing change fees shall be determined by handling the applications filed on the same day as a single case.

2. Annual Dues

Annual Dues (Amounts less than KRW 100 shall be discarded)	
1. Annual dues paid regularly: On the basis of average total market capitalization of the previous year, the amount determined by applying the fee rate noted below. 2. Annual dues paid irregularly: The amount determined by prorating, in proportion to the number of base days (the number of days from the first day to the day before the de-listing date of the year which includes the de-listing date) annual dues for the concerned year calculated by multiplying the rate shown in Table below to the average total market capitalization of the year up to the date of delisting decision.	
Average total market capitalization (In KRW billion)	Fee Rates
≤10	KRW 10,000 per KRW 1 billion
>10 and ≤30	KRW 100,000 + KRW 8,000 per KRW 1 billion of average total market capitalization in excess of KRW 10 billion
>30 and ≤50	KRW 260,000 + KRW 7,000 per KRW 1 billion of average total market capitalization in excess of KRW 30 billion
>50 and ≤70	KRW 400,000 + KRW 6,000 per KRW 1 billion of average total market capitalization in excess of KRW 50 billion
>70 and ≤ 100	KRW 520,000 + KRW 4,000 per KRW 1 billion of average total market capitalization in excess of KRW 70 billion
>100 and ≤200	KRW 640,000 + KRW 2,000 per KRW 1 billion of average total market capitalization in excess of KRW 100 billion
>200 and ≤500	KRW 840,000 + KRW 1,000 per KRW 1 billion of average total market capitalization in excess of KRW 200 billion
>500	KRW 1,140,000 + KRW 500 per KRW 1 billion of average total market capitalization in excess of KRW 500 billion

Notes:

1. When calculating the annual dues paid regularly, in the case of initial listing, it shall be the amount determined by prorating the amount calculated according to the method shown in Table above in proportion to the number of days from the initial listing date to the last day of the concerned year.
2. In the case of initial listing, the average total market capitalization shall be the average total market value of the concerned number of days.
3. The average total market capitalization shall be determined by aggregating the market capitalizations of common stocks and class shares issued by the concerned listed corporation.
4. When determining the fees per KRW 1 billion, the amount less than KRW 1 billion shall be rounded up.
5. The average total market capitalization shall be determined by simple arithmetic average of the daily market capitalization. In such cases, if the trading is suspended, the market capitalization shall be calculated by multiplying the number of listed stocks by the base price.

3. Payment Time of Listing Fees and Annual Dues

	Payment Time
Listing fees	The day immediately before listing
Regular payments	For the stocks listed as of the end of last year, the annual dues for the last year shall be paid in January of each year.
Irregular payments	In case where stocks are delisted, the annual dues for the period from the first day of the year which includes the concerned delisting date to the previous day of delisting date shall be paid before the delisting date of the stocks concerned.

4. Exemption from Payment of Listing Fees and Annual Dues

The Exchange may exempt the listing fees and annual dues that fall under any of followings:

- (a) Listing fees and annual dues for listing change and supplementary listing of KONEX-listed corporations falling under [§28(2)4(c)] of the KONEX Market Listing Regulation;
- (b) Supplementary listing fees, listing change fees and annual dues of the stocks (including different classes of stocks) issued by the KONEX-listed corporations who are under the rehabilitation procedures pursuant to the Debtor Rehabilitation and Bankruptcy Act;
- (c) In case where a corporation is delisted during the period for regular payments or within three (3) months after the payment period ended (including the case where the causes for delisting have occurred, while excluding the case of being delisted after the improvement period was granted), the amount of annual dues for the period from the first day of the year which includes such delisting date to the previous day of the delisting date; or
- (d) In case where a corporation is delisted pursuant to [§28(1)5 and 6] (limited to the cases pursuant to Subparagraphs 5 and 6 of Article 227 of the Commercial Act) of the KONEX Market Listing Regulation, the amount of annual dues for the period from the first day of the year which includes the delisting date to the previous day of the delisting date.

5. Other Matters relating to Listing Fees and Annual Dues

(a) Notification of payment and measures against non-payment

- (i) With regard to the payment of annual dues, the Exchange shall notify the listed corporations of such fact by the day two (2) weeks before the due date for the regular payments and by the day one (1) week before the delisting date for the irregular payments.
- (ii) In cases where a listed corporation fails to pay the annual dues within three (3) months after the due date, the Exchange may file actions such as request for an order of payment against the concerned corporation. Provided that, this provision shall not apply to the delisted corporations.

(b) Refund

The Exchange shall refund the listing fees to the corporation of which listing application was rejected.

10. The terms “corporate accounting standards” and “accounting auditing standards” refer to the accounting standards and audit standards set by the Financial Services Commission and the Korea Institute of Certified Public Accountants in accordance with Articles 5 and 16 of the Act on External Audit of Corporations, etc., respectively.

11. The term “auditor” means the auditor under subparagraph 7 (a) of Article 2 of the Act on External Audit of Stock Companies, etc.

12. The term “auditor’s audit report” refers to the audit report stipulated in Accounting Standard 700 (Formulation of Opinion on Financial Statements and Reporting).

13. Other terms used in this guideline shall be as stipulated in the Financial Investment Services and Capital Market Act and related regulations. In particular, the terms related to accounting and auditing follow as defined in the Corporate Accounting Standards and Auditing Standards.

III. General Principles

1. Reports should be prepared based on objective data and facts, and expressions that may lead to misunderstanding or abstract or ambiguous terms should not be used.

2. The contents of the report should be briefly and clearly described using terms that are easy to understand for easy understanding, but if deemed necessary to enhance understanding, they shall be prepared using diagrams, pictures, or photos.

3. The report should be written in such a way that the details of the relevant company and the securities to be listed can be fully described. Therefore, all important matters should be stated, and the description of the contents that may cause adverse effects or unfavorable results for the company concerned shall not be omitted or missed.

4. In principle, matters related to financial contents should be prepared for the last 3 business years (including the half year of the relevant business year if the half year of the relevant business year has passed) based on the adjusted financial statements on the audit report (if the financial statements for the half year of the relevant business year, the review report in cases of preparing the relevant review report or the financial statements confirmed by the designated advisor in cases of not preparing the review report) of auditor. However, if the settlement of accounts for the latest business year is not finalized, it shall be prepared for the last 3 business years immediately previous the latest business year and for the half year of the latest business year.

5. Corporations subject to the preparation of consolidated financial statements shall prepare the report on the basis of individual (separate) financial statements, unless otherwise specified.

IV. Base Time

In principle, the report should be prepared as of the date of submission. However, stock distribution and financial matters may be prepared based on the settlement date or semi-annual settlement date to enhance the convenience in preparation and the comparability by period.

V. Scope of Entry, etc.

1. Scope of entry

In relation to the preparation of the report, if the content to be included or method to enter in each part of the report is specified, the related contents or the non-applicable, in case of not relations, shall be stated. If the content or method is specified, matters deemed important in describing the company may be stated in an appropriate manner.

2. Principle of materiality

Whether or not specific facts or matters are material refers to matters deemed necessary for understanding the contents of the company, taking into consideration the Accounting Auditing Standards 320 (materiality in planning and conducting of audits).

VI. Instructions for Filling out the Form, etc.

1. In case where it is recognized that there is no risk of misunderstanding in consideration of the size of the company when entering the total amount of assets, sales amount, or sales quantity, etc., it may be omitted if it is less than one thousand or one million. However, this does not apply to matters related to (expected) public offering stocks.

2. In the comparative presentation by business year, the latest business year is arranged on the right.

3. “IV. Content of business” of the report shall be prepared according to the type of business such as manufacturing, construction, etc.

VII. Submission of Report

The report is prepared in two copies and submitted together with the storage medium containing the report to the KONEX Market Department of the KOSDAQ Market Division of the Korea Exchange.

<Instructions for filling out the summary list of shareholders for the confirmation of stock distribution>

1. The summary list of shareholders shall be prepared as of the end of the latest fiscal year (if the shareholder register is closed after the end of the latest business year, it shall be taken as of the closing date). Provided that, in cases where the corporation corresponds to the cause of the failure to meet the stock distribution criteria pursuant to [§24-2(2)1] and intends to prove the resolution of the cause, the summary list of shareholders shall be prepared based on the date of resolution of the cause.

2. The definitions of terms used in the summary list of shareholders for the application for initial listing shall be as follows.

① The largest shareholder refers to the person prescribed in the main sentence of [§2(6)] of the Regulation, and the related person of the largest shareholder refers to the persons who have special relations with the largest shareholder (related persons in [§2(7)] of the Regulation).

② The treasury stock refers to stocks owned by the KONEX-listed corporation.

③ The major shareholder refers to a person falling under Subparagraph 6(b) of Article 2 of the Act on Corporate Governance of Financial Companies. In such cases, the “financial companies” shall be construed as “KONEX-listed corporations”. However, the largest shareholder, his/her related persons and treasury stocks and the employee stock ownership association shall be excluded.

④ The institutional investor refers to the person falling under the venture capital pursuant to [§2(5)] of the Regulation or the professional investors (person falling under any of each item of [§2(2)]) pursuant to [§2(6)] of the Regulation, excluding the largest shareholder and related persons and treasury stocks. In this case, the institutional investors shall be classified and described as “institutional investors who are major shareholders”, “minority shareholders”, and “other shareholders” according to their share ownership.

⑤ The employee stock ownership association refers to the association established under Paragraph 4 of Article 2 of the Basic Workers Welfare Act.

⑥ The minority shareholder refers to a person who holds less than 1/100 of total number of outstanding stocks. However, the largest shareholder and related persons, treasury stocks, major shareholders, and the employee stock ownership association shall be excluded.

⑦ Other shareholders refer to shareholders who do not fall under the largest shareholders and related persons, treasury stocks, major shareholders, the employee stock ownership association, and minority shareholder.

3. In table 1, the number of shareholders of the employee stock ownership association shall indicate the number of employees in the employee stock ownership association.

4. In table 2 through 5, the shareholders with the largest number of common stocks are listed in order.

5. Indicate the ratio to two decimal places.

6. In the “Remarks” column, describe the relationship with the largest shareholder or the position in the company.

Guideline for Preparing Corporate Status Report

I. Purpose

The purpose of this guideline is to set out the necessary matters, such as the preparation method, content and scope of the corporate status report, which a designated advisor (in the case of a corporation in the Startups Division and Crowdfunding Corporation Division, the relevant corporation) is required to submit to the Exchange in accordance with Article 25 (Corporate status report and disclosure) of the KONEX Market Listing Regulations.

II. Definitions

The terms used in these guidelines and the notes in the form for the corporate status report shall be as follows.

1. The term “report” refers to the listing eligibility report.
2. The term “business year” refers to the accounting period stipulated in the articles of incorporation or related regulations of the company.
3. The term “settlement date” and “semi-annual settlement date” refer to the end date of the business year and the date six months from the start date of the business year, respectively.
4. The term “business division” is based on the subcategories of the Korean Standard Industrial Classification Table. However, if the management proposes a classification method that can accurately reflect the diversification of business in consideration of the interrelationship between the economic activities of the enterprise, the profit-generating unit, the characteristics of the product and manufacturing process, and the characteristics of the market and sales method, it may be respected.
5. The term “main place of business” means a unit of place or facility such as the head office, factory, branch, branch, or sales office, which is the basis for the performance of the purpose business such as production or sales activities of the enterprise.
6. The term “products, etc.” refers to goods, products, services, and other objects of business that are ultimately produced as a result of the company's business activities.
7. The term “item” refers to products or raw materials, etc., which are classified by similar characteristics such as types or functions, but, if necessary, other classification methods shall be followed.
8. The term “related parties” refers to related parties stipulated in Chapter 25 (Disclosure of Related Parties) of K-GAAP [No. 1024 (Disclosure of Related Parties) in K-IFRS (referring to Korean International Financial Reporting Standards)].
9. The term “related person” refers to a person who falls under any subparagraphs of Article 3 (1) of the Enforcement Decree of the Financial Company Governance Act.

10. The terms “corporate accounting standards” and “accounting auditing standards” refer to the accounting standards and audit standards set by the Financial Services Commission and the Korea Institute of Certified Public Accountants in accordance with Articles 5 and 16 of the Act on External Audit of Corporations, etc., respectively.

11. The term “auditor” means the auditor under subparagraph 7 (a) of Article 2 of the Act on External Audit of Stock Companies, etc.

12. The term “auditor’s audit report” refers to the audit report stipulated in Accounting Standard 700 (Formulation of Opinion on Financial Statements and Reporting).

13. Other terms used in this guideline shall be as stipulated in the Financial Investment Services and Capital Market Act and related regulations. In particular, the terms related to accounting and auditing follow as defined in the Corporate Accounting Standards and Auditing Standards.

III. General Principles

1. Reports should be prepared based on objective data and facts, and expressions that may lead to misunderstanding or abstract or ambiguous terms should not be used.

2. The contents of the report should be briefly and clearly described using terms that are easy to understand for easy understanding, but if deemed necessary to enhance understanding, they shall be prepared using diagrams, pictures, or photos.

3. The report should be written in such a way that the details of the relevant company and the securities to be listed can be fully described. Therefore, all important matters should be stated, and the description of the contents that may cause adverse effects or unfavorable results for the company concerned shall not be omitted or missed.

4. In principle, matters related to financial contents should be prepared for the last two business years and the period of the 1st halfyear of the relevant business year based on the adjusted financial statements on the audit report of auditor. However, if a separate period is specified in notes for each form, it shall be followed.

5. Corporations subject to the preparation of consolidated financial statements shall prepare the report based on individual (separate) financial statements, unless otherwise specified.

IV. Base Time

In principle, the report should be prepared as of the date of submission. However, stock distribution and financial matters may be prepared based on the settlement date or semi-annual settlement date to enhance the convenience in preparation and the comparability by period.

V. Scope of Entry, etc.

1. Scope of entry

In relation to the preparation of the report, if the content to be included or method to enter in each part of the report is specified, the related contents or the non-applicable, in case of not relations, shall be stated. If the content or method is specified, matters deemed important in describing the company may be stated in an appropriate manner.

2. Principle of materiality

Whether or not specific facts or matters are material refers to matters deemed necessary for understanding the contents of the company, taking into consideration the Accounting Auditing Standards 320 (materiality in planning and conducting of audits).

VI. Instructions for Filling out the Form, etc.

1. In case where it is recognized that there is no risk of misunderstanding in consideration of the size of the company when entering the total amount of assets, sales amount, or sales quantity, etc., it may be omitted if it is less than one thousand or one million. However, this does not apply to matters related to (expected) public offering stocks.

2. In the comparative presentation by business year, the latest business year is arranged on the right.

3. “IV. Content of business” of the report shall be prepared according to the type of business such as manufacturing, construction, etc.

VII. Submission of Report

The report is prepared in two copies and submitted together with the storage medium containing the report to the KONEX Market Department of the KOSDAQ Market Division of the Korea Exchange.

III. General Principles

1. The application for initial listing examination should be prepared based on objective data and facts, and expressions that may lead to misunderstanding or abstract or ambiguous terms should not be used.

2. The contents of the application for initial listing examination should be briefly and clearly described using terms that are easy to understand for easy understanding, but if deemed necessary to enhance understanding, they shall be prepared using diagrams, pictures, or photos.

3. The application for initial listing examination should be written in such a way that the details of the relevant company and the securities to be listed can be fully described. Therefore, all important matters should be stated, and the description of the contents that may cause adverse effects or unfavorable results for the company concerned shall not be omitted or missed.

4. In principle, matters related to financial contents should be prepared for the last 3 business years (including the half year of the relevant business year if the half year of the relevant business year has passed) based on the adjusted financial statements on the audit report (if the financial statements for the half year of the relevant business year, the review report in cases of preparing the relevant review report or the financial statements confirmed by the designated advisor in cases of not preparing the review report) of auditor. However, if the settlement of accounts for the latest business year is not finalized, it shall be prepared for the last 3 business years immediately previous the latest business year and for the half year of the latest business year.

5. Corporations subject to the preparation of consolidated financial statements shall prepare the report based on individual (separate) financial statements, unless otherwise specified.

IV. Base Time

In principle, the application for initial listing examination should be prepared as of the date of submission. However, stock distribution and financial matters may be prepared based on the settlement date or semi-annual settlement date to enhance the convenience in preparation and the comparability by period.

V. Scope of Entry, etc.

1. Scope of entry

In relation to the preparation of the application for initial listing examination, if the content to be included or method to enter in each part of the report is specified, the related contents or the non-applicable, in case of not relations, shall be stated. If the content or method is specified, matters deemed important in describing the company may be stated in an appropriate manner.

2. Principle of materiality

Whether or not specific facts or matters are material refers to matters deemed necessary for understanding the contents of the company, taking into consideration the Accounting Auditing Standards 320 (materiality in planning and conducting of audits).

VI. Instructions for Filling out the Form, etc.

1. In case where it is recognized that there is no risk of misunderstanding in consideration of the size of the company when entering the total amount of assets, sales amount, or sales quantity, etc., it may be omitted if it is less than one thousand or one million. However, this does not apply to matters related to (expected) public offering stocks.

2. In the comparative presentation by business year, the latest business year is arranged on the right.

3. “IV. Content of business” of the report shall be prepared according to the type of business such as manufacturing, construction, etc.

VII. Submission of the Application for Initial Listing Examination

The application for initial listing examination is prepared in two copies and submitted together with the storage medium containing the report to the KONEX Market Department of the KOSDAQ Market Division of the Korea Exchange.
